

SALES BROCHURE 2026

# Digital Transformation & Web Pricing Guide

Empowering Hyderabad's business ecosystem with 2026-gen technical architecture, ONDC readiness, and AI-driven growth strategies.

ONDC READY

AI-FIRST

5G OPTIMIZED

SAAS ENGINEERING

**WHY HYDERABAD**

# The Hyderabad Advantage

Born in the heart of HITEC City, we build platforms that leverage India's massive technical infrastructure and hyper-growth digital protocols.

## ONDC Readiness

Open Network for Digital Commerce protocol integration to bypass platform monopolies and enable direct D2C transactions.

## 0.5s 5G/6G Load Speeds

Optimized for India's high-speed mobile networks using edge-compute caching from Mumbai & Hyderabad Cloud Nodes.

## AI-First UX Design

Generative UI patterns that adapt to user behavior in real-time for maximum conversion rates across all devices.

## Sovereign Infrastructure

Data residency compliance using India-specific Cloud Nodes (Mumbai/Hyderabad) with zero-trust security protocols.

## Built for Scale

Our architecture supports from local Kirana stores processing 100 orders/day to enterprise platforms handling 1M+ daily transactions.

INVESTMENT TIERS

# Transparent Pricing

Fully transparent pricing tailored for the 2026 digital landscape in Hyderabad. All prices are one-time project costs.

TRANSPARENCY

# Zero Hidden Costs Policy

Software is an investment, not just a purchase. We follow a strict 'Transparent First' policy to ensure your business roadmap is predictable and fully funded.

<p><b>Domain Name (.in/.com)</b> Annual registration and renewal for your brand domain.</p>	<p><b>Starts at 1899/yr</b></p>
<p><b>Google Cloud / AWS Hosting</b> India-Region (Mumbai/Hyderabad) nodes for sub-0.5s latency.</p>	<p><b>Varies by Traffic</b></p>
<p><b>Government Taxes (GST)</b> Mandatory statutory tax on all digital services in India.</p>	<p><b>18% flat</b></p>
<p><b>Annual Maintenance (AMC)</b> Security patches, performance updates, and small changes.</p>	<p><b>20% of Project Cost</b></p>
<div style="background-color: #1a3d4d; color: white; padding: 10px; border-radius: 15px;">  <p><b>Bank-Grade Compliance</b> All contracts include standard IP protection and SLA guarantees as per the Indian IT Act, 2000. Your data sovereignty is non-negotiable.</p> </div>
